- Athletic ability: 10/10
- Leadership: 9/10
- Team player: 10/10
- Easy to work with: 10/10

Ability: "Mac is a quick and fluid player; quick feet, great range, reads the ball very well, good arm. Bats right/throws right. Although she can play almost anywhere, she is best suited for middle infield or outfield. Great eye at the plate and one of the purest swings I've ever seen."

Personality: "Mac is a determined player, yet always encouraging. She has a naturally bubbly personality that attracts people. She likes to have a good time, but takes her game seriously."

Ability: "Machaela is a very good athlete that keeps maturing and getting stronger. Stays in good shape and has a good work ethic. "

Personality: "I have been working with Machaela for 4 years now and have seen her grow significantly. She continues to stay ahead of majority of girls in her age group. Hard worker, great attitude. Very friendly and supportive of others. An asset to most any team."

- Athletic ability 9/10
- Leadership 10/10
- Team player 10/10
- Easy to work with 10/10

Ability: Machaela works hard to maintain a high skill level. Most opposing coaches consider her the hardest out to get on our roster. Leadoff batter who runs the bases well and rarely makes mistakes on the base path. She has great defensive range so she is my most solid 2nd baseman on the team. She also has the ability to play any position on the field including pitcher. Truly a defensive and offensive MVP.

Personality: Machaela is a true leader on our team. She leads the team in warm up drills and pregame mental preparation. All the girls look to her for motivation and guidance. She is very easy to coach and will play any position asked, even when she feels it is not her strong point. She is reliable and is difficult to replace offensively and defensively.
